506 STUDENT DISCIPLINE

I. PURPOSE

The purpose of this policy is to ensure that students are aware of and comply with Woodbury Leadership Academy's expectations for student conduct. Such compliance will enhance Woodbury Leadership Academy's ability to maintain discipline and ensure that there is no interference with the educational process. Woodbury Leadership Academy will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.

II. GENERAL STATEMENT OF POLICY

The Board of Directors recognizes that individual responsibility and mutual respect are essential components of the educational process. The Board of Directors further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting that promotes respect of self, others, and property. Proper positive discipline can only result from an environment that provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on a mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of Woodbury Leadership Academy is that a fair and equitable school-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act.

In view of the foregoing and in accordance with Minnesota Statute, the Board of Directors, with the participation of school administrators, teachers, employees, students, parents, community members, and such other individuals and organizations as appropriate, has developed this policy which governs student conduct and applies to all students of Woodbury Leadership Academy.

III. AREAS OF RESPONSIBILITY

B. The School Leader. The School Leader shall establish guidelines and directives to carry out this policy, hold all school personnel, students, and parents responsible for conforming to this policy, and support all school personnel performing their duties within the framework of this policy. The School Leader shall also establish guidelines and directives for using the services of appropriate agencies for assisting students and parents. Any guidelines or directives established to implement this policy shall be submitted to the Board of Directors for approval and shall be attached as an addendum to this policy.

C. The School Leader or designee. The School Leader or designee is given the responsibility and authority to formulate building rules and regulations necessary to enforce this policy, subject to final Board of Directors approval. The School Leader or designee shall give direction and support to all school personnel performing their duties within the framework of this policy. The School Leader or designee shall consult with parents of students conducting themselves in a manner contrary to the policy. The School Leader or designee shall also involve other professional employees in the disposition of behavior referrals and shall make use of those agencies appropriate for assisting students and parents. In exercising the teacher's lawful authority, a teacher may use reasonable force when it is necessary under the circumstances to correct or restrain a student or prevent bodily harm or death to another.

Their responsibilities relating to student behavior shall be as authorized and directed by The School Leader. A school employee, school bus driver, or other agent of a school, in exercising his or her lawful authority, may use reasonable force when it is necessary under the circumstances to restrain a student or prevent bodily harm or death to another.

F. Parents or Legal Guardians. Parents and guardians shall be held responsible for the behavior of

VII. DISCIPLINARY ACTION OPTIONS

The general policy of Woodbury Leadership Academy is to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student misconduct. The specific form of discipline chosen in a particular case is solely within the discretion of Woodbury Leadership Academy. At a minimum, a violation of school rules, regulations, policies, or procedures will result in a discussion of the violation and a verbal warning. Woodbury Leadership Academy shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student's misconduct, as determined by Woodbury Leadership Academy. Disciplinary action may include, but is not limited to, one or more of the following:

A. Student conference with teacher, Director, or other school personnel, and verbal warning;

Confiscation by school personnel and/or by law enforcement of any item, article, object, or thing, prohibited by, or used in the violation of, any school policy, rule, regulation, procedure, or state or federal law. VIII. REMOVAL OF STUDENTS FROM CLASS

A. Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parents. When such measures fail, or when the teacher determines it is otherwise appropriate based upon the student's conduct, the teacher shall have the authority to remove the student from class pursuant to the procedures established by this discipline policy. "Removal from class" and "removal" mean any actions taken by a teacher, Director, or other school employee to prohibit a student from attending a class or activity period for a period of time not to exceed five (5) days, pursuant to this discipline policy.

Grounds for removal from class shall include any of the following:

1. Willful conduct that significantly disrupts the rights of others to an education, including conduct that interferes with a teacher's ability to teach or communicate effectively with students in a class or with the ability of other students to learn;
2. Willful conduct that endangers surrounding persons, including school employees, the student or other students, or the property of the school;
3. Willful violation of any school rules, regulations, policies, or procedures, including the Code of Student Conduct in this policy; or
4. Other conduct, which at the discretion of the teacher or the School Leader, requires removal of the student from class.

Such removal shall be for at least one (1) activity period or class period of instruction for a given course of study and shall not exceed five (5) such periods.

B. If a student is removed from class more than ten (10) times in a school year, Woodbury

Leadership Academy shall notify the parent or guardian of the student's tenth removal from class and make reasonable attempts to convene a meeting with the student's parent or guardian to discuss the problem that is causing the student to be removed from class.

C. If a student is removed from class, the teacher, the School Leader or other school employee will complete a report describing the student's behavior. The student will remain in the custody of the School Leader or his/her designee for the duration of the time prescribed.

D. Responsibility for and Custody of a Student Removed From Class

Teachers removing students from the class are required to direct the student to the school office and verify his or her arrival as soon as practicable. The administrator may, at his/her option, assign the student to supervision in another area specially designated for this purpose. Students removed for more than one class period will receive assignments from the teachers to enable the student to keep up with his/her class work.

E. Procedures for Return of a Student to a Class from Which the Student Was Removed

The student may return to class after a conference with the appropriate administrator, teacher, and/or the parent(s)/guardian(s). At the time of this conference, a definite plan of action will be established, including a review of any existing special education services. Students removed from class will be required to examine and take measures to correct inappropriate conduct.

F. Procedures for Notification.

1. Parents/Guardians will be notified of their child's removal from their classroom on the day that it occurs. The School Leader, their designee, or the classroom teacher will be responsible for making parent contact.

G. Students on an IEP and Special Provisions.

1. Same procedures as outlined in "C" with the involvement of the Special Education personnel. Any procedures determined appropriate and/or included in the students' Individualized Education Programs (IEPs) or 504 Plan.

1. Classroom teachers and other staff will be responsible for frequent communication with parents or guardians in an attempt to improve students' behavior.

J. Any Procedures Determined Appropriate for Encouraging Early Detection of Behavioral Problems.

1. Classroom teachers and other staff will use the Response to Intervention (RTI) Model for the early detection of behavioral problems.

IX. DISMISSAL

A. "Dismissal" means the denial of the current educational program to any student, including exclusion, expulsion, and suspension. Dismissal does not include removal from class.

Woodbury Leadership Academy shall not deny due process or equal protection of the law to any student involved in a dismissal proceeding, which may result in suspension, exclusion or expulsion.

Woodbury Leadership Academy shall not dismiss any student without attempting to provide alternative educational services before dismissal proceedings, except where it appears that the student will create an immediate and substantial danger to themselves or to surrounding persons or property.

B. Violations leading to suspension, based upon severity, may also be grounds for actions leading to expulsion, and/or exclusion. A student may be dismissed on any of the following grounds:

1. Willful violation of any reasonable Board of Director's regulation, including those found in this policy;

2. Willful conduct that significantly disrupts the rights of others to an education, or the ability of school personnel to perform their duties, or school-sponsored extracurricular activities; or

3. Willful conduct that endangers the student or other students, or surrounding persons, including school employees, or property of the school.

C. Suspension Procedures

1. "Suspension" means an action by the School Leader, under rules promulgated by the Board of Directors, prohibiting a student from attending school for a period of no more than ten (10) school days.

2. If a student's total days of removal from school exceed ten (10) cumulative days in a school year, Woodbury Leadership Academy shall make reasonable attempts to convene a meeting with the student and the student's parent or guardian before subsequently removing the student from school and, with the permission of the parent or guardian, arrange for a mental health screening for the student at the parent or guardian's expense. The purpose of this meeting is to attempt to determine the pupil's need for assessment or other services or whether the parent or guardian should have the student assessed or diagnosed to determine whether the student needs treatment for a mental health disorder or behavioral health disorder.

3. Each suspension action will include a readmission plan. The plan will include a re-entry meeting involving the parent/guardian, the student, and the school administration. The plan shall include, where appropriate, a provision for implementing alternative educational services upon readmission which must not be used to extend the current suspension. A readmission plan must not obligate a parent or guardian to provide psychotropic drugs to their student as a condition of readmission. The School Leader must not use the refusal of a parent or guardian to consent to the administration of psychotropic drugs to their student or to consent to a psychiatric evaluation, screening, or examination of the student as a ground, by itself, to prohibit the student from attending class or participating in a school-related activity, or as a basis of a charge of child abuse, child neglect, or medical or educational neglect. The School Leader may not impose consecutive suspensions against the same student for the same course of conduct, or incident of misconduct, except where the student will create an immediate and substantial danger to self or to surrounding persons or property or where Woodbury Leadership Academy is in the process of initiating an expulsion, in which case the School Leader may extend the suspension to a total of fifteen (15) days.

4. A child with a disability may be suspended. When a child with a disability has been suspended for more than five (5) consecutive days or ten (10) cumulative school days in the same year, and that suspension does not involve a recommendation for expulsion or exclusion or other change in placement under federal law, relevant members of the child's IEP team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the child's IEP. That meeting must occur as soon as possible, but no more than ten (10) days after the sixth (6th) consecutive day of the suspension or the tenth (10th) cumulative day of suspension has elapsed.

5. The School Leader or designee shall implement alternative educational services when the suspension exceeds five (5) days. Alternative educational services may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other

modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessments, homebound instruction, supervised homework, or enrollment in another district or in an alternative learning center under Minn. Stat. selected to allow the pupil to progress toward meeting graduation standards under Minn. Stat., although in a different setting.

6. The School Leader or designee shall not suspend a student from school without an informal administrative conference with the student. The informal administrative conference shall take place before the suspension, except where it appears that the student will create an immediate and substantial danger to themselves or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension. At the informal administrative conference, the School Leader or designee shall notify the student of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the student may present the student's version of the facts. A separate administrative conference is required for each period of suspension.

7. After a suspension has been assigned and upon further consideration, school administrators may assign alternative consequences.

8. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan meeting scheduled, and a copy of the Minnesota Pupil Fair Dismissal Act, Minn. Stat., shall be personally served upon the student at or before the time the suspension is to take effect, and upon the student's parent or guardian by mail within forty-eight (48) hours of the conference.

9. The School Leader shall make reasonable efforts to notify the student's parent or guardian of the suspension by telephone as soon as possible following suspension.

10. In the event a student is suspended without an informal administrative conference on the grounds that the student will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the student and the student's parent or guardian within forty-eight (48) hours of the suspension. Service by mail shall be complete upon mailing.

11. Notwithstanding the foregoing provisions, the student may be suspended pending the Board of Director's decision in an expulsion or exclusion proceeding, provided that alternative educational services are implemented to the extent that suspension exceeds five (5) days.

D. Expulsion and Exclusion Procedures

1. "Expulsion" means a Board of Directors' action to prohibit an enrolled student from further attendance for up to twelve (12) months from the date the student is expelled. The authority to expel rests with the Board of Directors.

2. "Exclusion" means an action taken by the Board of Directors to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year. The authority to exclude rests with the Board of Directors.
3. All expulsion and exclusion proceedings will be held pursuant to and in accordance with the provisions of the Minnesota Pupil Fair Dismissal Act, Minn. Stat.
4. No expulsion or exclusion shall be imposed without a hearing unless the right to a hearing is waived in writing by the student and parent or guardian.
5. The student and parent or guardian shall be provided written notice of Woodbury Leadership Academy's intent to initiate expulsion or exclusion proceedings. This notice shall be served upon the student and his or her parent or guardian personally or by mail, and shall contain a complete statement of the facts; a list of the witnesses and a description of their testimony; state the date, time, and place of the hearing; be accompanied by a copy of the Pupil Fair Dismissal Act, Minn. Stat.; describe alternative educational services accorded the student in an attempt to avoid the expulsion proceedings; and inform the student and parent or guardian of their right to: (1) have a representative of the student's own choosing, including legal counsel at the hearing; (2) examine the student's records before the hearing; (3) present evidence; and (4) confront and cross-examine witnesses. Woodbury Leadership Academy shall advise the student's parent or guardian that free or low- cost legal assistance may be available and that a legal assistance resource list is available from the Minnesota Department of Education (MDE).
6. The hearing shall be scheduled within ten (10) days of the service of the written notice unless an extension, not to exceed five (5) days, is requested for good cause by Woodbury Leadership Academy, student, parent, or guardian.
7. All hearings shall be held at a time and place reasonably convenient to the student, parent, or guardian and shall be closed, unless the student, parent, or guardian requests an open hearing.
8. Woodbury Leadership Academy shall record the hearing proceedings at school expense, and a party may obtain a transcript at its own expense.
9. The student shall have a right to a representative of the student's own choosing, including legal counsel, at the student's sole expense. Woodbury Leadership Academy shall advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from MDE. The Board of Directors may appoint an attorney to represent Woodbury Leadership Academy in any proceeding.
10. If the student designates a representative other than the parent or guardian, the representative must have a written authorization from the student and the parent or

guardian providing them with access to and/or copies of the student's records.

11. All expulsion or exclusion hearings shall take place before and be conducted by an independent hearing officer designated by Woodbury Leadership Academy. The hearing shall be conducted in a fair and impartial manner. Testimony shall be given under oath and the hearing officer shall have the power to issue subpoenas and administer oaths.

12. At a reasonable time prior to the hearing, the student, parent or guardian, or authorized representative shall be given access to all school records pertaining to the student, including any tests or reports upon which the proposed dismissal action may be based.

13. The student, parent or guardian, or authorized representative, shall have the right to compel the presence of any school employee or agent or any other person who may have the evidence upon which the proposed dismissal action may be based, and to confront and cross-examine any witnesses testifying for Woodbury Leadership Academy.

14. The student, parent or guardian, or authorized representative, shall have the right to present evidence and testimony, including expert psychological or educational testimony.

15. The student cannot be compelled to testify in the dismissal proceedings.

16. The hearing officer shall prepare findings and a recommendation based solely upon substantial evidence presented at the hearing, which must be made to the Board of Directors and served upon the parties within two (2) days after the close of the hearing.

17. The Board of Directors shall base its decision upon the findings and recommendation of the hearing officer and shall render its decision at a meeting held within five (5) days after receiving the findings and recommendation. The Board of Directors may provide the parties with the opportunity to present exceptions and comments to the hearing officer's findings and recommendation provided that neither party presents any evidence not admitted at the hearing. The decision by the Board of Directors must be based on the record, must be in writing, and must state the controlling facts on which the decision is made in sufficient detail to apprise the parties and the Commissioner of Education (Commissioner) of the basis and reason for the decision.

18. A party to an expulsion or exclusion decision made by the Board of Directors may appeal the decision to the Commissioner within twenty-one (21) calendar days of Board of Directors action pursuant to Minn. Stat. The decision of the Board of Directors shall be implemented during the appeal to the Commissioner.

19. Woodbury Leadership Academy shall report any suspension, expulsion or exclusion action taken to the appropriate public service agency, when the student is under the supervision of such agency.

20. Woodbury Leadership Academy must report, through the MDE electronic reporting

system, each expulsion or exclusion within thirty (30) days of the effective date of the action to the Commissioner. This report must include a statement of alternative educational services given the student—and the reason for, the effective date, and the duration of the exclusion or expulsion. The report must also include the student’s age, grade, gender, race, and special education status. The dismissal report must include state student identification numbers of affected students.

21. Whenever a student fails to return to school within ten (10) school days of the termination of dismissal, the School Leader shall inform the student and his/her parent or guardian by mail of the student’s right to attend and to be reinstated in Woodbury Leadership Academy.

X. ADMISSION OR READMISSION PLAN

The School Leader or designee shall prepare and enforce an admission or readmission plan for any student who is excluded or expelled from school. The plan may include measures to improve the student’s behavior, including completing a character education program consistent with Minn. Stat., and require parental involvement in the admission or readmission process, and may indicate the consequences to the student of not improving the student’s behavior. The readmission plan must not obligate parents to provide psychotropic drugs to their student or to consent to a psychiatric evaluation, screening, or examination of the student for their child as a condition of readmission.

XI. NOTIFICATION OF POLICY VIOLATIONS

Notification of any violation of this policy and resulting disciplinary action shall be as provided herein, or as otherwise provided by the Pupil Fair Dismissal Act or other applicable law. The teacher, Director or other school official may provide additional notification as deemed appropriate.

XII. STUDENT DISCIPLINE RECORDS

The policy of Woodbury Leadership Academy is that complete and accurate student discipline records be maintained. The collection, dissemination, and maintenance of student discipline records shall be consistent with applicable school policies and federal and state law, including the Minnesota Government Data Practices Act, Minn. Stat.

XIII. DISABLED STUDENTS

Students who are currently identified as eligible under the IDEA or Section 504 will be subject to the provisions of this policy, unless the student’s IEP or 504 plan specifies a necessary modification.

Before initiating an expulsion or exclusion of a student with a disability, relevant members of the child’s IEP team and the child’s parent shall, consistent with federal law, conduct a manifestation determination and determine whether the child’s behavior was (i) caused by or had a direct and

substantial relationship to the child's disability and (ii) whether the child's conduct was a direct result of a failure to implement the child's IEP. If the student's educational program is appropriate and the behavior is not a manifestation of the student's disability, Woodbury Leadership Academy will proceed with discipline up to and including expulsion – as if the student did not have a disability, unless the student's educational program provides otherwise. If the team determines that the behavior subject to discipline is a manifestation of the student's disability, the team shall conduct a functional behavioral assessment and implement a behavioral intervention plan for such student provided that Woodbury Leadership Academy had not conducted such assessment prior to the manifestation determination before the behavior that resulted in a change of placement. Where a behavioral intervention plan previously has been developed, the team will review the behavioral intervention plan and modify it as necessary to address the behavior.

When a student who has an IEP is excluded or expelled for misbehavior that is not a manifestation of the student's disability, Woodbury Leadership Academy shall continue to provide special education and related services during the period of expulsion or exclusion.

XIV. OPEN ENROLLED STUDENTS

Woodbury Leadership Academy may terminate the enrollment of a nonresident student enrolled under an Enrollment Option Program (Minn. Stat.) or Enrollment in Nonresident District (Minn.
