Hot Meals	Building Lunch Menus Students Love		Friday, November 1, 2024	Week IV
	<p>According to the USDA, schools are responsible for about 530,000 tons of discarded food (excluding milk) annually. We can only nourish students if they eat the meals we provide.</p> <p>We create menus to hold students' interest throughout the year. We include a mix of long-time favorite meals as well as trendier foods that expose students to new flavors and cultures. Each week, we offer healthy whole grains, different proteins and a variety of fruits and vegetables to prevent boredom. We continually monitor the popularity of meals and replace those that are less popular with new ones to inspire joyful eaters. We also let students choose from multiple daily options rather than forcing everyone to take something they may not like.</p> <p>These measures help ensure our meals feed more students and fewer trash cans.</p>		<p>Twisted Cheesy Breadsticks</p> <p>Warm Red Sauce</p> <p>Broccoli Florets & Dip</p> <p>Crisp Varietal Apple</p> <p>Choice Milk</p> <p style="color: red; text-align: center;">Grilled Cheese Sandwich w/ American Cheese</p>
